

Talk to God

Craft & Game Ideas

Marco Polo / Hide and Seek

- One person will be finding, everyone else hides somewhere in the house or yard.
- Once everyone is hidden, the person finding yells out "You can talk to God...". Those hiding must then yell out in response, "Anywhere".
- Once found, the finder then says "You can talk to God..." and the person found says their hiding spot, e.g. "In a cupboard". Then both say together "Anytime".

Retell the Story

Using some of your own toys, tell a story similar to the story of Angie that Chrissy told, reminding yourself of when you can talk to God.

Make a Prayer Cube.

Sticky tape/glue

- Cover each face of the box with a different colour of paper.
- On each face write a prayer e.g. Dear God I'm sorry for...; Thank you for...; Please help...
- Roll the cube. Whatever face it lands on, pray according to what it says.
